

Hearing Voices That Are Distressing

A Simulation and Training Experience
in Courtenay, BC

The goals of this experience are to:

- Learn about the subjective experience of hearing voices that are distressing
- Become more empathetic towards those who hear distressing voices
- Change clinical practices to better address the needs of people who hear distressing voices

Columbian Centre Society is offering this training program
at the Eureka Support Society, 280 4th St, Courtenay

Tuesday, April 15, 2014

2:00 pm - 5:30 pm

Suggested Donation: \$25.00

Registration is limited to 25 people
